A

Buttons

Banner admin pages include several buttons.

Button	Description
Add and Retrieve	Use the Add and Retrieve buttons to interact with Banner Document Management (xTender) to properly store and review documents.
Go	Use the Go button to advance to the body of the page after populating the key block.
Save	Use the Save button to save changes on the page. The Save button is located on the bottom right side of the page.
Section Navigation	Use the Next Section button to navigate to the next section of data. Use the Previous Section button to navigate to the previous section of data. The Next Section and Previous Section buttons are located at the bottom left of each page.
Select and Cancel	Use the Select button to select and retrieve data from a called page to the current page. Use the Cancel button to return to the called page without retrieving any data. When you need to go to a secondary or called page to retrieve data, the Select and Cancel are presented at the bottom of the page.
Start Over
