Elections	New Business officer elections
Reminder about service hours and submitting them to Joanna by end of the week.	

President Olinger welcomed the new senators.

President Olinger recognized the outgoing senators with a certificate and thank you for their service.

President Olinger presented a budget for the 2022-2023 year with Staff Senate expenditures. It was noted that now a secretary/treasurer position and finance committee had been established then perhaps a plan on how to use more of the funds can be determined.

Officer Elections were held by ballot with President Olinger and Past-President Rhodes calculating the results. Dana Mejia was elected President-Elect and Chloe Beaver was elected Treasurer. The results were as follows: Dana Mejia 10 votes, Chloe Beaver 7 votes, and the other candidates received 4, 2, and 1 vote respectively.
